

Dear partner, sponsor and friend

Ikhaya Le Themba would like to take this opportunity to thank you for your support over this past year, we know that without your partnership we would not be as successful in reaching as many lives as we do!

Ikhaya Le Themba is a faith-based, non-profit community organisation (046-634 NPO) built on biblical values. We have been providing services over the past 13 years to the community of Khayelitsha and beyond. Our heart is to empower communities throughout South Africa. What started out as Home-based Care, soon developed into caring for grannies, orphans and vulnerable children, wellness support groups, micro business programs for recovering patients, soup kitchens and much more.

2017 Love Bag Project:

Each year, as part of our regular initiatives, we host annual end of year Christmas functions where we bless each program participant with a wonderful bag filled with Christmas goodies. Our Love Bags, similar to the Santa Shoebox Project, are filled with necessities as well as treats for our children as well as our youth. For our elderly we include non-perishable food items which assist in support of their household over the holiday season.

There are many ways to lend a hand! Should your organisation wish to be involved by contributing financially or donating goods, please contact Bobby Teichert at bobby@iklethemba.co.za or on 071 28 00 725.

I have also included a link to a clip from our [OVC Christmas party](#) from 2016.
